# APPEAL
# TO THE CONGREGATION

Los Angeles, Dec. 8, 1912.

*To the Members and Congregation of the First Unitarian Church of Los Angeles, Cal.*

Friends: The end of the church year finds us with an indebtedness upon our hands. A part of this indebtedness is represented by a couple of notes to the First National Bank of this city of $500.00 each, which notes were given it three years ago when the church fell behind, and we have not been able to pay them off since. The balance of our indebtedness is $1050.00 due the pastor, $160.00 premium for insurance on the church building, and certain other small bills for fuel, etc., in all amounting to about $2200.00, outside of the current bills for December not yet due. We shall get in during the month $800.00 from this and certain donations that come in annually about this time, reducing the actual indebtedness to about $1400.00.

This money must be raised by the end of our church year, January 13, 1913. A small portion of it will be received from incoming dues and collections between now and the end of the church year.

Heretofore it has been customary to raise the deficiencies that have usually occurred at the end of the church year by a personal solicitation for the necessary money of the persons who attended our annual suppers. A few persons would respond in amounts varying from one dollar to twenty-five or more, the result being that sometimes the deficit was made up and sometimes it was not. When it was not so made up, then a few of the members of the church got together and made it up.

This is not as it should be, especially when it is within the power of the congregation to prevent it, as I believe it is.

Under the circumstances of the church's position, therefore, I have asked the Board of Trustees of the church to authorize a special collection to be taken up at the meetings of the church on the 15th, 22d, and 29th days of December, 1912, and the 5th day of January, 1913, of one dollar from each adult member of the congregation, or as near, or more, as the members of the congregation may feel they can contribute to our indebtedness.

Such a course as this will meet our indebtedness and enable every one of us to feel down in our hearts that we have done something towards sustaining our pastor in the good work that he is so ably doing.

I believe I can safely say that, after this year we will not have any indebtedness that we can not easily meet, for the church is growing and should soon become self-supporting.

Let us, therefore, bearing in mind the good the church is doing us and bearing in mind the good that it is doing our community and will continue to do for those who shall come after us, make the effort to carry out the plan now proposed, and for the Sundays above named, put into the collection baskets the amount named. We will all feel better for the doing of it, and our annual supper will be one of rejoicing.

When this indebtedness shall have been met, our church will be entirely free from debt, as we have no mortgage indebtedness upon the church property itself.

By authority of the Board of Trustees.

A. S. LONGLEY,
SECRETARY

A SCOTCH BLESSING.

"If after kirk you bide a wee,
There's some would like to speak to ye.
If after kirk you rise and flee,

All here have got their fears and cares;
Add your soul unto our prayers;
Be you our angel unawares."

---

### Woman's Alliance Notes

Thursday, April 3rd, Woman's Alliance meeting. Luncheon at 12:30, 15c per plate. Reports of all committees and discussion of current news in Unitarian circles, by Mrs. Hodgin. A large attendance is desired, as there is important business to consider. All women of the congregation invited.

### The Calendar Year

The Woman's Alliance has started the "Calendar Year" scheme. The object of this scheme is to raise the necessary funds, allowing any one interested to contribute a penny a day for the year and to do away with the Annual Bazaar, the burden of which usually falls on a few. The Weeks will soon call for collections.

Mr. Hodgin's sermon on "The Best Use of Sunday" is published in the current number of the magazine "Man" and can be secured in the vestibule if anyone desires it.

The sermon topic for Sunday morning, April 6th, will be "Fore-ordination and Free-will, or Mastery and Submission."

Contributions for the relief of those suffering from the recent storms and floods are solicited by the Federated States Society, headquarters at 957 Seventh St. Those contributing may designate to which community they desire to have funds sent, if they so wish.

SUPPORT. The church's only means of support is from the voluntary contributions from members of the congregation, who are asked to be as generous as possible. All regular contributors are urged to take sittings

# FINANCIAL STATEMENT

## OF THE

# First Unitarian Church

## For the Quarter Ending March 31, 1913

### RECEIPTS

| | | |
|---|---|---|
| Balance on hand last quarter..... | | $ 33.12 |
| Dues and Subscriptions..... | | 1368.00 |
| Collections, special and ordinary.... | | 917.23 |
| Total receipts ..... | | $2318.35 |

### DISBURSEMENTS

| | | |
|---|---|---|
| January bills .....$ | 484.83 | |
| February bills ..... | 1002.70 | |
| March bills ..... | 698.92 | 2186.45 |
| Balance on hand ..... | | $131.90 |

The March payments include $100 due the American Unitarian Association and $98 to the flood sufferers, collected for them but not sent forward by reason of the fact that other amounts have been subscribed, but not sent in yet.

It will be seen that we have paid all of the indebtedness owing by the Church last year except one of the two notes of $500 held by the First National Bank.

By reason of the call upon us for contribution to the American Unitarian Association and the flood sufferers, we have scant means with which to pay the monthly expenses for the month of March, just passed. Our monthly expenses usually amount to $500. Our balance now on hand is $131.90. We shall need about $370 more with which to meet those expenses.

Will the members of the church, therefore, whose subscriptions are due the present quarter, kindly send them to the Secretary this week, and the congregation make as liberal a donation as they can on the coming Sunday in order that we may keep down our expenses as we go along?

Respectfully,

A. S. LONGLEY,
Secretary and Treasurer.

April 1, 1913.

## A SCOTCH BLESSING

"If after kirk you bide a wee,
There's some would like to speak to ye.
If after kirk you rise and flee,
We all seem cold and stiff to ye.
That one that's in the seat with ye
Is stranger here than you, maybe;
All here have got their fears and cares;
Add your soul unto our prayers;
Be you our angel unawares."

## A SCOTCH BLESSING

"If after kirk you bide a wee,
There's some would like to speak to ye.
If after kirk you rise and flee,
We all seem cold and stiff to ye.
That one that's in the seat with ye
Is stranger here than you, maybe;
All here have got their fears and cares;
Add your soul unto our prayers;
Be you our angel unawares."

### Woman's Alliance Notes

Mrs. J. W. Hendrick will give a stereopticon lecture on "Buried Cities of Ceylon" at the Unitarian Church, Thursday, May 15th at 2 o'clock — admission free. Tea will be served in the parlor after the lecture — bring your friends.

---

### The Calendar Year

The Woman's Alliance has started the "Calendar Year" scheme. The object of this scheme is to raise the necessary funds, allowing any one interested to contribute a penny a day for the year and to do away with the Annual Bazaar, the burden of which usually falls on a few. The Weeks will soon call for collections.

---

Support. The church's only means of support is from the voluntary contributions from members of the congregation, who are asked to be as generous as possible. All regular contributors are urged to take sittings.

---

Little children will be taken care of in the Sunday School room during the church hour.

---

Mr and Mrs Hodgin will be absent for the next ten days. Notices for the calendar should be in the hands of Mr. Longley not later than Thursday, for each of the two following weeks.

## CHRIST ELEMENT IN RELIGIOUS LIFE

The first question those unfamiliar with our church always ask us is, "Where do you place Christ in your Religious Faith?" Beginning Sunday morning, June 8th we shall have a series of five sermons on this subject. Will you not extend an earnest invitation to your inquiring friends to be present?

The dates and subjects are:

June 8. The Christ Idea in Rational Religion.
June 15. Christ as Savior and Messiah.
June 22 The Atonement or Union of the Human and Divine.
June 29. The Leadership of Jesus.
July 6. The Kingdom of God.

---

If you are not a subscriber to the Pacific Unitarian, you are missing one of the brightest religious monthlies published. Mr. Hodgin will forward your subscription for you if you wish.

---

Mr. Thomas Pascoe, president of the Board of Trustees, and his family have just returned from their year in Europe and are living at 300 South Harvard Boulevard.

---

SUPPORT: The church's only means of support is from the voluntary contributions from members of the congregation who are asked to be as generous as possible. All regular contributors are urged to take sittings.

---

Little children will be taken care of in the Sunday School room during the church hour.

---

Mrs. Hodgin will not be at home Tuesday, June 24th.

10 A. M. Women of congregation are invited to meet at Orphans' Home to sew. Bring thimble and one article of food. Take Melrose Ave. car to end of line, walk one block west to El Centro St. and two blocks north to home.

## STRANGERS

If you are a stranger in this Church, whether a resident of the city or a transient, we should be glad to form your acquaintance and make you feel at home with us. Will you not meet us half way by introducing yourself to some of us and leaving your name and address?

---

Through the generosity of two of our members, three of Mr. Hodgin's sermons, "Holy Orders," "The Christ Element in Religion" and "The Best Use of Sunday," have been printed, and are available for free distribution. You may take as many of these as you can dispose of advantageously.

---

'If after kirk you bide a wee,
There's some would like to speak to ye
If after kirk you rise and flee,
We all seem cold and stiff to ye.
That one that's in the seat with ye
Is stranger here than you, maybe;
All here have got their fears and cares;
Add your soul unto our prayers;
Be you our angel unawares."

---

It will appreciably add to the comfort and enjoyment of the congregation as a whole if the ladies will remove their hats during the service.

---

The Sermon Topic for next Sunday morning, Nov. 2d, will be "Paul the Transplanter."

---

A trained kindergartner will have charge of the small children during the church hour. You are invited to bring your children to church and leave them in her care.

—✣—

**In the love of the truth, and in the spirit of Jesus Christ, we unite for the Worship of God and the service of man.**

—✣—

The First Unitarian Church of Los Angeles stands for the advancement of sound morals and pure religion in the community, and for the promotion of Truth, Righteousness and Love in the World.

It asks assent to no body of doctrine or system of belief. It leaves each member free to formulate his belief according to individual conscience and reason, holding that out of the cultivation of reverence for truth and sincerity will issue a conscientiousness, a self control, and a purity and strength of character, that will be the best safeguard against evil and the greatest inspiration to noble living.

—✣—

Finding myself in general accord with the above statement, I hereby make application for membership in the First Unitarian Church of Los Angeles, promising such personal and financial support as may reasonably be expected of me.

## Pacific Unitarian School for the Ministry

Dr. Earl Morse Wilbur, Dean of the Pacific Unitarian School for the Ministry, at Berkeley, Cal., has made a special appeal for help in the Scholarship Fund. The school has more students than usual this year, and fewer contributions have been made to the Scholarship Fund, hence it seems probable that some of the students must give up the work for lack of funds. Those wishing to help in this work may give contribution to Miss Isabelle Bennet, Dr. Abby Fox Rooney or Mrs. Hodgin.

## Woman's Alliance Notes

Thursday, March 12th, the women of the church will meet to sew at the home of Mrs. G. C. Moody, 1014 Beacon street. Bring your thimble and one article of food. Everybody welcome.

## Sociable and Reception

Friday, March 13th, at 8 P. M., sociable and reception to new members of church society. "A Walk Through Wessex and Ratables on the Rhine" will be the subject of a talk by Mr. Emerson Knight. Mr. Burton Barnes will give a reading.

## New Members

New members will be welcomed into the church Easter Sunday morning, April 12th. If you are not now a member, you are invited to examine our membership cards, which may be secured of the clerk, and see if it does not appeal to you as desirable to unite with us. ### Pacific Unitarian School for the Ministry

Dr Earl Morse Wilbur, Dean of the Pacific Unitarian School for the Ministry, at Berkeley, Cal., has made a special appeal for help in the Scholarship Fund. The school has more students than usual this year, and fewer contributions have been made to the Scholarship Fund, hence it seems probable that some of the students must give up the work for lack of funds. Those wishing to help in this work may give contribution to Miss Isabelle Bennet, Dr. Abby Fox Rooney or Mrs. Hodgin.

### IMPORTANT NOTICE

In view of the fact that the receipts of the Church for the past quarter have fallen off considerably, as shown by the last report of the Secretary and, further, that the income for the present quarter will be small, by reason of the facts that many of the members of the Church pay their dues by the year in advance, and others will be out of town during the coming vacation of the Church, thereby decreasing the amount of funds coming in at this time, the Church is in need of money. After allowing for the collection of dues payable during July and August, there remains an indebtedness of $712.00, made up for the most part, of the salary now due the pastor.

In view of these facts, the Board of Trustees has instructed the Secretary to call upon the members of the congregation during the vacation of the Church and solicit subscriptions to a fund to meet this indebtedness.

Members of the Church and others of the congregation who desire to contribute to this fund, will greatly lighten the burden of the Secretary, A. S. Longley, in this regard by sending their checks to him at his office address, No. 223 West Second Street, without requiring him to call at their residences.

## A BENEFIT CONCERT

# The Seventh Year

of

Rev. E. Stanton Hodgin's Ministry

at the

First Unitarian Church of Los Angeles

South Flower Street
bet. Ninth and Tenth

Can we not make this a better year for the church and for ourselves than any preceding one? Can we not have every seat occupied each Sunday? If you are a regular attendant will you not bring some one with you for the next five Sundays at least? If you are not a regular attendant will you not agree to attend for five consecutive Sundays and see if it is not worth while? A little more zeal on the part of all will insure a capacity house each week. Does not the list of subjects on the opposite side appeal to you as being worth the effort? Will you kindly hand or mail this card to some one who may also be interested?

Sunday morning, January 3rd, a welcoming service for new members will be held at the close of the regular service. If you are not a member of our society and are in sympathy with our attitude toward life, you are cordially invited to unite with us. Membership cards stating conditions of membership can be obtained of the Secretary. The Minister will be glad to talk with those contemplating uniting with us.
